

# National ADA Symposium

## June 20-23 Denver, Colorado

*A comprehensive conference on  
the Americans with Disabilities Act.*

***New Recreation Track!***

### **Recreation Guidelines**--*Bill Botten, U.S. Access Board.*

An overview of the accessibility guidelines for newly constructed and altered recreation facilities.

### **Accessibility Play Area Guidelines**--*Bill Botten, U.S.*

**Access Board.** Topics include: application of the play area guidelines, accessible play components, soft contained play structures, accessible routes, and accessible surfaces. Presentation will include visual examples of play areas suitable for discussion.

### **Beaches, Trails, & Outdoor Developed Area**

#### **Guidelines**--*Bill Botten and Peggy Greenwell, U.S.*

**Access Board.** An overview of the latest (almost final) accessibility guidelines for outdoor developed areas on Federal sites covered by the Architectural Barriers Act (ABA).

### **Accessible Resort & Vacation Destinations**--*Sarah*

**Will, AXS Vail Valley, Vail CO, Joe Kusumoto, Keystone Adaptive Center, Breckenridge Outdoor Education Center, Breckenridge, CO.** Programs discussed will include best practices for web sites, identifying accessible businesses, maps identifying accessible routes throughout the community, and examples of collaborative efforts between resorts and local retailers.

### **Strategies for Inclusive Outdoor Adventures**

--*Janet Zeller, U.S. Forest Service.* This interactive session with photos and discussion will focus on inclusive recreation, essential eligibility criteria and the range of recreation opportunities, including those operated by outfitters and guides, and ski areas, on 192 million acres of federal lands managed by the U.S. Forest Service.

### **Assessing & Evaluating Outdoor Recreation**

#### --*Kathleen Laurin, University of Montana Rural Institute*

An overview of the multiple efforts to increase access to outdoor recreational environments through information, education, agency partnerships, accessibility assessments, and access to assistive technology devices.
