

National ADA Symposium

The Gateway Arch in St. Louis, Missouri, is the central focus of the image, framing the city skyline. The arch is a large, blue, steel structure that curves over the city. In the background, several skyscrapers and the Missouri State Capitol building with its green dome are visible under a blue sky with scattered white clouds.

**May 12-14,
St. Louis, MO**

**Sponsored by the
National DBTAC-ADA Centers**
